From Our Administration

Dear Archbishop Stepinac High School Community,

We are excited to share the Annual Report for Fiscal Year 2025 (September 1, 2024, to August 31, 2025), celebrating the remarkable achievements of our school and the incredible generosity of our community.

This year, the Stepinac family rallied together to support our mission in unprecedented ways. Through our Annual Giving efforts—including the Fund for Stepinac, Spring Celebration, Golf Outing, and Capital and Restricted donations—we raised over **\$4,000,000** to benefit the young men who walk our halls every day. We are especially grateful for **two transformational gifts totaling \$1.5 million**, which will have a profound and lasting impact on our students and programs.

Looking ahead, we are energized to build on this momentum. Our focus will remain on strengthening Annual Giving initiatives while expanding major gifts efforts to support campus enhancements and endowment growth, ensuring Stepinac continues to offer a premier educational experience for generations to come.

We extend our deepest gratitude to every member of the Stepinac community. Your unwavering support, passion, and belief in our mission inspire us daily. Together, we are shaping the leaders, scholars, and innovators of tomorrow.

Best,

Fr. Thomas Collins

36th Annual Golf Outing

Archbishop Stepinac High School's 36th Annual Golf Outing was one for the record books, drawing a sellout crowd of 228 golfers—the highest in the event's history. Held across two premier courses, Westchester Hills Golf Club and Fenway Golf Club, the outing brought together alumni, parents, faculty, and friends for a day of camaraderie and support for Stepinac's mission. Though the morning began with some rain, the skies cleared to reveal a beautiful afternoon perfect for golf.

Throughout the day, participants enjoyed a variety of on-course contests including a Ring of Fire Hole, Chipping Contests, and a "Use My Drive" challenge featuring four members of Stepinac's 2025 CHSAA Golf Championship Team. Off the course, excitement continued with 50 Grab Bag Raffles and nearly 30 online silent auction items, offering guests plenty of chances to win and give back.

Following the round, guests gathered for a lively Cocktail Hour that included a Fresh Mozzarella Station, Scotch Tasting Bar, and an on-site cigar roller, adding to the festive atmosphere. Father Tom Collins '79 closed out the evening by presenting the first-place prize to the winning foursome: **Nick Carpinello '11, Rob Docherty '09, Joe Collins Jr. '09, and Michael Collins '11.** The event was a tremendous success, raising over **\$200,000** in support of Stepinac's academic and extracurricular programs.

We extend our heartfelt thanks to all the guests, sponsors, volunteers, and participants who contributed to the success of Stepinac's 36th Annual Golf Outing, your generous support, dedication, and participation made this event truly memorable.

Don't forget to mark your calendars for Stepinac's 37th Annual Golf Outing, taking place on June 9, 2026.

“We love Stepinac! The inclusive community, approachable faculty, and exceptional opportunities are unmatched. Through their academic pursuits and athletic involvement, our sons have gained invaluable experience and built meaningful relationships that will last a lifetime. Our daughters have also thrived, enjoying the warmth and creativity of the Theater Program. Stepinac is more than a school—it's a special place that has enriched all of our lives, and we are so proud to be part of it!”

Honors Academy Symposium

Archbishop Stepinac High School's Susan and Daniel P. Mahoney '67 Honors Academy held its 7th Annual Symposium on May 28, 2025, shining a spotlight on a critical and timely issue—PFAS contamination in recreational and drinking water. Themed **“Reclaiming Our Recreational and Drinking Water: A Case Study—PFAS and the White Plains Reservoir,”** the event brought together students, public officials, and environmental leaders to address the challenges surrounding water safety.

Top-performing students from Stepinac's four Honors Academies—Engineering, Health Sciences, Economics & Finance, and Law—presented in-depth research focused on the White Plains Reservoir and its surrounding systems. Their findings explored the environmental, legal, health, and economic implications of PFAS (Per- and Polyfluoroalkyl Substances), a class of chemicals known to contaminate water sources.

The event included a panel featuring City of White Plains officials who praised the students' initiative. “Their dedication is a step forward in protecting our

water,” said Stefania A. Mignone, White Plains Commissioner of Public Works. Rev. Thomas Collins '79, President of Stepinac and a lifelong White Plains resident, added, “It is particularly gratifying to see the students tackle a local issue in our own backyard.”

In preparation for the Symposium, Law and Health Sciences students traveled to Albany earlier in May to meet with state legislators, including Assemblywoman Amy Paulin. Paulin applauded the students' work stating, “Their passion for addressing PFAS contamination through research and civic engagement is truly commendable.”

The Symposium continues a proud tradition at Stepinac, with past topics ranging from the Flint Water Crisis to Space Exploration. “Our students consistently use their intellect in service of the community,” said Principal Paul Carty. The event was a powerful testament to Stepinac's commitment to experiential learning and preparing students to become thoughtful, solution-driven leaders in today's world.

Partnership with Burke Rehabilitation Hospital

Archbishop Stepinac High School has deepened its commitment to student-athlete health and performance through an expanded partnership with Burke Rehabilitation®, a nationally recognized leader in rehabilitation treatment, research, and education.

Effective August 1, 2025, the multi-year agreement will provide Stepinac with top-tier sports medicine services designed to enhance the safety, care, and athletic performance of students across all sports. Burke will offer comprehensive medical support, including the presence of certified athletic trainers (ATCs) and physicians at practices and games, as well as coordinated oversight from Dr. Bram Newman, Medical Director for Stepinac Athletics and Burke's Sports Medicine Fellowship Program Director.

This enhanced collaboration will benefit athletes across Stepinac's competitive

programs including football, soccer, basketball, wrestling, baseball, lacrosse, Gaelic football, and rugby. The initiative reflects a shared commitment to prioritizing the well-being of student-athletes both on and off the field.

In addition to game-day support, Burke physicians will lead educational sessions for players, families, and coaches on essential sports health topics such as concussion protocols and injury prevention. These workshops will serve to empower the Stepinac community with knowledge that promotes long-term wellness and informed decision-making.

By teaming with Burke Rehabilitation, Stepinac continues to raise the bar in offering holistic support for its student-athletes—ensuring they have access not only to competitive opportunities but also to the highest level of care and education in sports medicine.

Stepinac High School's Omega Society

Since being introduced in 2013, the Stepinac Omega Society has had over 70 people identify as a member. Omega Society membership is composed of those who believe in Stepinac's future so much that they have informed us they have included Stepinac in their estate plans.
